

Town, CUPE salary talks break down

Salary negotiations between the Town of St. Albert and the Canadian Union of Public Employees have broken down, despite the appointment of a conciliation officer.

C. T. A. Hutchings of the provincial board of industrial relations, was appointed conciliation commissioner on Jan. 13.

He has since reported back that he could not effect a settlement and recommended it go to a conciliation board.

"That's the last step before pulling the pin," CUPE representative Leo Lancaster said Tuesday night.

Mr. Lancaster said the union had given ground in recent talks but the town had

held firm at a seven per cent increase.

"We would accept the seven per cent for casual labor, putting the rate at \$2.55 an hour rather than \$3.10," Mr. Lancaster said. "This in itself would mean quite a saving to the town as it employs quite a bit of casual labor in the summer."

"We also agreed to let the

contract run for two years with no increase in the second year. I don't think they even listened to us."

The union is seeking parity with the City of Edmonton, asking hours and wages equal to those paid city employees who are doing similar work.

Mayor Ray Gibbon said Tuesday night the town definitely wouldn't budge

from its seven per cent stand. He said the town felt the seven per cent was a logical figure.

"We won't even consider the 25 or 28 per cent they are talking about," he said.

The town and union will each appoint a member to the conciliation board and then the two members will

decide on a chairman. If they can't agree, a chairman is then appointed by the department of labor.

Neither the town nor the union have appointed a member as yet.

CUPE represents all employees in the public works, utilities and parks departments.

CRANE LIFTS ONE-QUARTER OF AN ALCAN TOWNHOUSE

THEN SWINGS IT INTO PLACE FOR FAST BUILDING

Contractor plans start on arena

A start on construction of the St. Albert arena is to be made this week.

Harold Rattal, owner of the local construction firm that accepted the \$90,105 contract for the building and footings and some interior work, said his crews would be moving onto the site this week.

"The first thing we have to do is get telephone and power installed, then we'll start driving piles," he said Tuesday night.

The contract was sealed Monday afternoon when Mr. Rattal picked it up from the town hall with his own and Mayor Ray Gibbon's signatures attached.

Mr. Rattal said he could make no firm commitment on completion date, but indicated it should be in early May.

The site requires some

filling and normally this would be done first. However, as it is not feasible at the present time because of the frost, the process was reversed.

"It will be a little inconvenient for us at times," Mr. Rattal said, "but that's just a little concession we made to help the community."

The arena will be constructed on Perron Street south of Imperial Lumber. It will be 216 feet long and 120 feet wide.

Sturgeon Electric has the contract for the lighting for the building, \$7,900, and the Chamber of Commerce has given the town a letter of commitment to erect the boards and players boxes for \$2,500.

Total cost of the building is expected to be \$100,645.

Board of Directors

The provincial government will soon be appointing a board of directors for the university in St. Albert.

Five of the directors will be lay people and it would be well if the St. Albert district had representation on the board.

Directors should be prepared to devote one day a week to board activity, and the post does not carry any remuneration. Expenses are paid, and directors must be Canadian subjects.

Written applications may be directed to MLA Keith Everitt by individuals interested in the position. In addition any organization may make application on behalf of a member.

It is suggested that interested individuals or groups take action on this matter as soon as possible.

Face of Braeside is changing fast

The face of Braeside subdivision, extensively remodelled since last summer, has taken on some added features in the last couple of weeks.

The first of an initial group of 158 townhouses to be offered for sale as condominiums by Alcan Design Homes Limited are on their way up.

The townhouses are being

constructed using factory assembled modules from Alcan's plant in Woodstock, Ont., the first time that such townhouse modules have been shipped 2,300 miles across Canada.

The townhouses arrive in four sections and little time is lost in making the initial connections.

Tour date changed

There has been a change in the date of the tour of the Sturgeon General Hospital to be conducted on behalf of the St. Albert Chapter of the AARN. The tour will take place on Saturday morning,

Feb. 7. Members are advised to wear slacks to facilitate more convenience in getting around the construction. They should meet at the south entrance at 10 a.m.

Townhouses in Ridge Wood Terrace, the first condominium project in St. Albert, are expected to be ready for public viewing by mid-February and additional furnished models will be open in March. Prices will start at \$18,995.

Alcan owns or controls a total of 420 acres in the St. Albert area and the residential and commercial development it envisions could eventually comprise 3,000 dwelling units.

Alcan plans to build condominiums and single-family dwellings by stages over several years for sale to individual buyers. Other developers may be invited to finance the shopping centres and other commercial facilities.

Paul Kane boys win basketball tourney

The Paul Kane boys basketball team that won the Salisbury Invitational Tournament last weekend pose with their trophy. From left

Armstrong, Mel Knutsen, Brian O'Toole, Dave White and Fergie Evans; bottom from left Les Martin, Jack Opperheyde, Larry Matychuk, Jim Rutherford and

Paul Kane High School's boys basketball team won the boys' section of the Salisbury Invitational Basketball Tournament last Saturday.

Paul Kane defeated Lac La Biche 55-52 in their opening game, then followed up with a solid 55-32 win over Salisbury to win the trophy.

Wetaskiwin was the other team involved in the tournament.

Les Martin, with 14 points, and Jim Rutherford, with 13, were the top scorers in the final game for Paul Kane.

The Paul Kane girls also

won a trophy. They picked up the silverware in the consolation event, defeating Wetaskiwin 36-32. They lost their opening game to Salisbury.

Sandra Keith scored nearly half Paul Kane's points in the consolation, collecting 16.

The Paul Kane teams will travel to Stony Plain for regular North Central Zone games on Friday night and then they'll reverse direction to compete in an invitational tournament at Westlock on Saturday.

Wildcats win over Barrhead

St. Albert Wildcats midget hockey team defeated Barrhead 8-4 in an exhibition hockey game at Barrhead last week.

St. Albert, entered in the Highway 16 West Midget Hockey League, won the game on the strength of a seven-goal second period.

Barrhead took a 3-1 lead in the opening period but St. Albert handled all the scoring in the second for an 8-3 lead.

Jan Jensen scored three goals for Wildcats and Simon LaFrance, Gerald Longpre, Mark Thompson, Ray Gauthier and Doug Belcourt each scored one.

Jay Litke had two and Ron Hindman one for Barrhead. St. Albert Bruins also played an exhibition game last week, coming out on the losing end of an 18-1 count at Westlock. Bruins gave up 10 goals in the opening period.

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a second Public Hearing.

The purpose of the hearing is to rezone the following area -

Lot 1, Block 1 and Lots 1 to 8 inclusive, Block 2, presently zoned RX (Residential Comprehensive) be rezoned to RSA (Multiple Family).

The purpose of the rezoning is to accommodate an apartment development.

The proposed Bylaw #46/69 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 23rd day of February, 1970 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the secretary-treasurer at his office until 4:30 p.m. on the 18th day of February, 1970. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Jimmy Hamper scores TKO

the gazette

Jimmy Hamper of St. Albert recorded a technical knockout in winning his bout on a card run by the Sherwood Park Boxing Club on Saturday night.

The 10-year-old Hamper stopped Cameron Hodson in the second round of their 65-pound division match.

Eight-year-old Bob Dragich of 27 Sunnyside Cres. made his mark at the St. Albert Ski Club last week. But he's not really all that happy about it. Bob was the first skier to break a bone on the new hill on Highway 2 just north of the rodeo grounds. Ron Sanderson, president of the local club, tells Bob how great the skiing is with all this nice weather while he autograph's his cast. There will not be any more skiing this season for Bob.

Auxiliary looking for candy strippers

The Sturgeon General Hospital Auxiliary is looking for teen-agers who will be over 14 by July 1 to become candy strippers, unpaid volunteers who work part-time in hospitals.

Mrs. Mary Campbell, an executive member of the auxiliary, said Monday that teen-agers interested would be able to register at the following schools and times:

Paul Kane High School: Monday, Feb. 9, at 12 noon; St. Albert High: Monday, Feb. 9, at 1:30 p.m.;

Sir George Simpson Junior High: Tuesday, Feb. 10, at 11:45 a.m.;

Sir Alexander Mackenzie School: Tuesday, Feb. 10, at 12 noon;

Namoo School: Tuesday, Feb. 10, at 12 noon.

Mrs. Campbell said volunteers would be given a 10-hour course on work in a hospital that had been drawn up by registered nurses in the city.

She said the new course is still in the process of being approved by the Red Cross, but it was expected to be ready by the time classes are set to go here.

Classes, to be conducted by registered nurses, will

be held in the Youville Home.

Mrs. Campbell said candy strippers was open to boys as well as girls, and was a good way for both to get a good look at medicine as a future vocation.

Mrs. Campbell said it had not been decided yet if classes would be held at Namoo. She said classes were being arranged for Morinville at a later date.

Leo Club to form Feb 10

The Leo Club will hold its organizational meeting on Feb. 10.

Ten students attended the initial meeting set up by the sponsoring St. Albert Lions Club recently and they asked that the organizational meeting be put over until Feb. 10.

They said there was high interest in the club but exams would curtail participation at the moment.

Rod Thronson, Leo Club Chairman for the Lions, said Monday it was hoped that the meeting would be held in the teen centre but this had yet to be confirmed.

Anyone interested in joining the club, open to young men and women between 15 and 20, can contact Mr. Thronson at 42 Swallow Cres. (phone 599-6301) for further information.

Mr. Thronson stressed that to be a member, the young people do not have to have parents that are members of the Lions Club.

RCMP recover break-in loot

RCMP recovered some of the loot taken from the St. Albert curling rink 10 days ago, but they are still looking for the thieves responsible.

Cigarettes and candy bars were taken in the break-in and RCMP later found some of the goods hidden in the bush.

There have been break-ins reported at other curling rinks at points around the city.

Report from the Legislature

By Keith Everitt, MLA

Once again it is a privilege to report to you from the Legislature. I thank this newspaper for extending to me the opportunity to communicate directly while the session is in progress. With a two-week earlier start I would imagine we can wind it up around the middle of April.

The Speech from the Throne was delivered in colourful fashion Thursday afternoon. The big news, of course, was the announcement of the fourth university, in the St. Albert area, close enough to bring the oldest and largest town in Alberta plenty of prestige, yet far enough away so that any disadvantage isn't right on the town's doorstep. This

institution will, of course, effect not only the town of St. Albert, but will have a tremendous bearing on the future of the Municipal District of Sturgeon and Lundarstand the town of Morinville is also beginning to receive enquiries. I hope to give more details in a later report on university development, however, may I take this opportunity to thank the following people for their wonderful co-operation in working together to have this institution come to our area, Dave Fraser, Vince Maloney, Charles Schroder, Mrs. Lois Hole, Reeve Stanley Walker, Mayor Art Stapleton of Morinville, Mrs. Maslyk, Mrs. Anne Kryskow, Mayor Ray

Gibson of St. Albert, John McDonnell, chairman of the Sturgeon School Board, Councillor J. J. Bakker of St. Albert, also Mr. Kunst and Mr. Fitzpatrick.

Carl Muller, MLA for Pembina, and myself have placed a resolution on the order paper requesting the federal government to make storage payments to farmers, for grain stored on farms, such payment to be made from the Canadian Wheat Board on the same basis as presently paid to grain companies.

I would appreciate hearing from any of my constituents on any of the resolutions or motions which we may be faced with. There is, of course, a continuing demand to lower the age from

21 to 18 or 19 for liquor privileges. I'm not too sure how widespread this point of view is so I would look forward to your recommendations in this regard.

Rumor is also out that the Students Union of the University of Alberta has been requesting a permit to operate a licensed lounge on campus. Comments on this proposal are also welcome.

Once again I will be mailing draft legislation to all municipal, town and village councils, all school boards as well as any other citizen requesting same. The Game Act is up for rewriting and I will be most honored to sit down and discuss this Act with the Fish and Game Association, Farmer's Union, or any interested constituents.

This year I will take up residence at the Mayfair Hotel, Room 329, phone 424-7265. Please send all mail to Keith Everitt, Legislative Buildings or Bon Accord R.R. 1. I extend a hearty

invitation to any individuals or groups to attend the session on any afternoon convenient. Individuals can always be accommodated, however, reservations are required for groups.

readers write

The Editor:

I would like to comment briefly on your recent story in which Peter Loughheed, the Progressive Conservative provincial leader, denied that he ever said "the St. Albert campus (for a fourth university) was a mistake."

Mr. Loughheed's statement is typical of the kind of waffling he has engaged in recently. It illustrates, I think, his notorious tendency to speak out of one side of his mouth in one part of the province, and out of the other side in a different part.

Mr. Loughheed's statement that he really meant it was a mistake not to plan for additional university sites at the same time, is uninformed.

The government has set up the Worth Commission on Educational Planning for just this purpose, and the Worth Report will recommend not only where additional universities should be built, but also what shape our entire educational system should take to meet the needs of Albertans in the 1970's and 1980's.

The fourth university is to be located at St. Albert because it must serve the needs of thousands of prospective students in the Edmonton metropolitan area. Needless to say, it will have a very beneficial effect on the economy and future of the town, and this whole area.

Keith Everitt, M.L.A.

A night of fun

Have you ever missed out on a night of dancing because you didn't have anything new to wear or you didn't have a loose twenty in your pocket to take your wife out for dinner? We often talk about the good old days when you could have yourself a ball on a few bucks.

Well the St. Albert Snowmobile Club is bringing back the good old days by having

a Hard Times Dance and Box Social on Saturday, Feb. 14, 8 p.m., at the St. Albert Community Hall. Old time music, prizes, and refreshments available.

Ladies must bring a boxed lunch which will go to the highest bidder. Husbands will be penalized if they buy their wife's box.

Come on out and bring your friends for a night of fun. Only \$2.00 per couple.

Movers' movies

St. Albert Movers' will show movies on Friday and Saturday nights, Feb. 6 and 7, in a continuing effort to raise funds for the teen centre, which they reopened last Sunday.

The movie Georgie Girl will be shown at Father Jan School at 8 p.m. Friday. Admission will be \$1 for adults and 75 cents for students.

On Friday and Saturday at 7:30 p.m. in the parish hall, the movie Born Free will be shown. Admission will be \$1 for adults, 75 cents for students and 50 cents for everyone under 14 years of age.

The teen centre will be closed on Friday and Saturday nights because of the showings but will be open Sunday afternoon and evening.

Learning to learn aim of new program

The new elementary science program introduced this year by the department of education is one in which children "learn to learn," a program in which students must become directly involved in the experimental and learning process.

This was the opinion expressed by Ross Betton of Drayton Valley in a recent address to some 50 elementary teachers of the St. Albert Protestant Separate School Division attending an elementary science seminar at Sir George Simpson Elementary School. The seminar was sponsored by the professional development

committee of the Alberta committee of the St. Albert Local of the Alberta Teachers Association in co-operation with the St. Albert Protestant Separate School Division.

Mr. Betton, a junior high science teacher in Drayton Valley and former science consultant for Grande Prairie Schools, stressed that the new science program will necessitate a change in attitudes toward learning. Teachers will be required to stress the "activity approach" in which children develop skills and attitudes rather than merely swallow facts to be "regurgitated"

at the request of the teacher. Mr. Betton sympathized with the problems elementary teachers would encounter in shifting emphasis from mere concentration on course content to fostering learning abilities in their students. He stated there was a possibility teachers would be concerned that not enough of the factual content of the course would be assimilated by students.

In suggesting that course content is not all important, he stressed the availability of resource material and the advantages of giving children only the facts necessary to develop the proper skills and attitudes.

In his view, the basic aim of the new science program is to encourage children to work and think as scientists do, at least at their own level of development, to

doubt on occasion and question the validity of so-called facts.

In short, it is the job of the science teacher to act as a catalyst in the learning process, fostering the ability of students to think for themselves.

"Children must learn to evaluate and think logically" Mr. Betton concluded "and it is the responsibility of elementary schools to begin this process."

In the workshop portion of the seminar, the teachers formed groups - by grade level - to perform experiments such as their students would be undertaking in the classroom.

In assigning the experiments, acting science co-ordinator John Curilla, who was in charge of the afternoon's activities, pointed out that teachers would be per-

forming the experiments under the same circumstances as their students would be in

future - taking part in the discovering process and learning by doing.

St. Albert owners of German Shepherd dogs may be interested in services open to them by the German Shepherd Dog Club of Edmonton. Mrs. C. Malone of 12908 135A Ave., Edmonton 44, is public relations officer for the club.

Toastmistress club planned

A survey is being taken to see if there is sufficient interest to form a Toastmistress Club in St. Albert.

Mrs. Myrtle Costuros of Edmonton has proposed the club for St. Albert and the local contact is Mrs. Florence Jordan, phone 599-6407.

International Toastmistress Club is an educational organization for women that emphasizes leadership training and communication. It provides opportunities to experience

creative responsibility within group settings and at all levels of organization management.

Club members receive individual assignments for study and practice, beginning with simple situations and advancing rapidly to the formal speech. Training is given in voice, speech organization and delivery. All learn committee procedures and preside at meetings to gain Parliamentary proficiency.

Comets heavy artillery shells Morinville 15-6

St. Albert Comets aren't leading the Sturgeon River Senior Hockey League, but every now and again they look as if they should be. Comets downed Westlock Eagles 6-4 last Tuesday and on Friday put their big guns into action, downing Morinville 15-6.

Believe it or not, the game at Morinville was close for two periods. Morinville led 3-2 at the close of the first period and Comets led 5-4 at the end of the second. But the scorekeeper couldn't keep up with the goalscorers in the third.

Six St. Albert snipers scored two goals, with Dan

Vars leading the way by adding four assists. Fred Hesse put three assists with his two to retain his placing among the top five scorers in

the league. Others getting two goals were Doug Knisely, Terry Dube, Jim Read and Ron Yanosik. Joe Cassidy, Ray Lamer

and Dan Roberge each scored one.

Vic Soetaert scored three goals for Morinville and O'Neil Chevalier, Guy Chalfoux and Al Breault scored the others.

Comets took advantage of penalties to the Rimmer brothers, Terry and Wayne, to pull out the victory over Westlock.

Trailing 4-3 with less than five minutes to go in the game, Comets got their break when Terry Rimmer pounced on Read and received a five-minute penalty for fighting.

Vars promptly fired home the tying goal and when seconds later Wayne Rimmer picked up a charging penalty, Vars scored the winner.

With Terry Rimmer off for the remainder of the game, Knisely potted an insurance tally.

Knisely also scored in the first period. Hesse and Yan-

osik got the other Comet goals. Wayne and Terry Rimmer, C. Keller and Rich McGlone scored for Westlock.

Comets had led 3-0 at the end of the first period and 3-1 at the end of the second. Eagles had scored three straight goals to go ahead

in the third before the Rimmers gave Comets another chance.

Comets' manager Jake Vaugeois said Monday the team should be pretty well back to full strength this week with the return of Dave Joyal, who has been away since the turn of the year.

Local wildcats tie

St. Albert Wildcats gave the top team in the Highway 16 West Midget Hockey League a good battle in a couple of games over the past week and a half.

The Wildcats fought Stony Plain to a 2-2 tie at Stony Plain, but bowed 3-1 at home. In a game last Friday, Wildcats got back on the winning track, downing Onoway 3-1.

Meanwhile, St. Albert Bruins of the same league were losing a couple of heartbreakers, 4-2 and 5-3, to Devon.

The game at Stony Plain was tied 1-1 at the end of the first period but Wildcats took a 2-1 lead in the second. They held it until the 15 minute mark of the third when Stony got the equalizer.

Raymond Gamache scored both goals for St. Albert.

Against Onoway, Wildcats took a 1-0 first-period lead and led 2-1 at the end of the second.

Gary Tarvis, Gordie Bellerose and Doug Belcourt scored for St. Albert. Wilkie scored for Onoway.

Miller Kirby of Stony received a game misconduct for an altercation with the referee.

Wildcats have won four games, lost three and tied one.

The Bruins have only taken to the ice three times, with the other games cancelled because of bad weather. They lost all three games they played but have one win to their credit on a default by Onoway.

See the New Generation
of John Deere Combines
challenge yesterday's
capacity champions
in

The Great Combine Race

Four New Harvesting Giants—"The New Generation of John Deere Combines"—are coming your way. You won't want to miss seeing the new 3300, 4400, 6600 and 7700 Combines. At "Farming Frontiers '70" you'll see the 6600 challenge yesterday's capacity champion, the 105 Combine, in actual field competition. Every bushel is timed. Every exciting minute is on the screen. And there's more: New "Furrow on Film" subjects which affect the way you farm now and the future. And a dramatic new motion picture, "A Way of Life," that looks at the heart of farming through the eyes of a farm family.

Club Mocombo, St. Albert

Citizen of the year in St. Albert sought

Thanks to a new project undertaken by St. Albert and District Chamber of Commerce, residents of this area will have the opportunity of honoring citizens who have made a significant contribution to the life of the community.

The first annual Citizen of the Year award to be presented by the local chamber, has been announced by Pre-

sident Peter Zuidema.

Mr. Zuidema expressed the hope that as many nominations as possible would be received for the award, which will be made in March. Any man or woman who is a resident of St. Albert and district is eligible for nomination.

Although it is expected that a number of nomina-

tions will be forthcoming from clubs and organizations in the area, private individuals and groups are also strongly encouraged to nominate candidates for the award.

The establishment of the award for St. Albert and district is in line with a national Chamber of Commerce policy of recognizing

outstanding contributions made by citizens of a community. Mr. Zuidema stressed that the nominee's contribution can be in any field such as service work, education, sports, the arts or public affairs.

An independent panel of judges will choose the first Citizen of the Year for St. Albert and district from

among three finalists who will be invited to attend the chamber's annual dinner and dance on the evening of March 18.

Do you know someone who deserves such recognition? Do you know a man or woman who has made this community a better place in which to live? If so, you're invited to submit the individual's name, along with the reasons for your choice, to the St. Albert and District Chamber of Commerce.

Local clubs and organiza-

tions will be receiving a letter this week outlining details of the award and method of nominating candidates. Anyone wishing further information is asked to contact Dick McGee, Dick's Plumbing; Peter Zuidema, Grandin Bakery; or Ernie Jamison, c/o The Gazette.

Lowery declines to attend meeting

Provincial Liberal Leader Jack Lowery has declined an invitation to attend the annual general meeting of the St. Albert Provincial Liberal Association on Sunday, Feb. 8.

In a letter to Association

Secretary-Treasurer Rod Woodcock, Mr. Lowery indicated that a previous engagement in Calgary on that date will prevent him from attending.

Officials of the association's executive had hoped

for a debate of party philosophy between Mr. Lowery and prominent Edmonton Liberal Mel Hurtig concerning the recent disclosure in the press that talks had taken place between Mr. Lowery and representatives of the Social Credit Party regarding the possibility of political co-operation between the two parties.

Mr. Lowery and Mr. Hurtig conducted an impromptu debate on this proposed merger at a similar meeting of Red Deer Liberals in January.

In his letter, Mr. Lowery

also stated that he was not "planning on dealing with previous matters any further" and indicated that he would not be available for similar debates in the future.

The Liberal Party of Alberta is holding its annual convention in Red Deer, Feb. 27 to March 1 at which time a vote of non-confidence in the leader arising out of the merger talks with Social Credit is expected.

The St. Albert Constituency Association meeting will be held at the home of R. G. Wheatley, 31 Bishop St., at 8 p.m.

Kinettes sponsor sing-out Edmonton

An exciting and talented youth group known as 'Sing-Out Edmonton' will perform at the Sir George Simpson Junior High School at 2:30 p.m. on Sunday, Feb. 15.

Sing-Out Edmonton organized in 1968 as a result of the visit of an international group called 'Up With People,' who sang and conquered the hearts and imagination of large numbers of Edmonton's youth.

This group of young people is composed of high school and university students from

scattered areas of the city. They have a membership of over 200 which includes their own band. Since their formation they have chalked up in excess of 80 performances.

By far the most important contribution this group has made is in the starting of a new vitality that has given many people a new hope, a new challenge, a new and real reason for living.

The St. Albert Kinettes are sponsoring the entire show as their contribution to the Kinsmen 50th Anniversary Week celebrations.

Skate-a-thon pledges now available

Pledge cards are now available for the skate-a-thon the St. Albert Kinsmen Club will sponsor on Sunday, Feb. 22.

The cards were handed out to many minor hockey coaches at a meeting Sunday night and it is hoped many other organizations will get behind the project, which will launch the drive for an artificial ice plant for the proposed St. Albert arena.

Distribution points have been set up in the Bank of Montreal, Bank of Nova Scotia, Emery's Pipe Shop, Town Hall and The Gazette office.

Kinsmen will be accept-

ing pledges for Lt.-Gov. J. Grant MacEwan, who will skate in the event, starting off at 1 p.m. Anyone wishing to sponsor the Lieutenant-governor can contact any Kinsman or President Tom White at 599-7137.

The skate-a-thon will be held on the Sturgeon River and the course will be a one-half mile oval. Skaters will have cards that will be punched every complete lap.

The Kinsmen can use all the help they can get to handle the skate-a-thon so if you will have the afternoon free, please don't hesitate to volunteer your services.

GRANDIN SHOPPERS' PARK

St. Albert teen hut is open for business

Mayor Ray Gibson cut a ribbon Sunday afternoon, and the St. Albert teen centre was declared officially open—or reopened, depending on how long you've been around the local teen scene.

The teen centre actually opened for business Saturday night. It was open from 7:30 to 11 and entertainment was supplied by two young people from the city who sang and played guitars. About 50 teen-agers visited the centre Sunday and about 25 adults also dropped in throughout the afternoon.

Richard LeBlanc, a member of the teen executive, said the only requirements for membership are that the person be over 15 and attend either Paul Kane or St. Albert High Schools or be a teen resident of St. Albert. There is no membership fee. Every member is allowed to bring one guest (adult). Town council in December gave Movers permission to

operate the centre on a trial basis until June. The youth organisation from the St. Albert parish immediately went to work to make the building into a useable facility, repairing, painting and finishing off the kitchen.

The centre was closed last

summer after an abortive year in which it managed to muster little appeal for the teen population of St. Albert.

This time, however, there appears to be more hope for success as it has been started by an established organization, which readily

accepted the concept of adult participation in an advisory capacity. The teens are still working on the centre; it is functional but they still have plans for improvements.

They are in need of chairs, all kinds, and residents who

would like to donate any used only phone Richard LeBlanc at 599-6315 and they will be picked up. They can also deliver them to the teen centre Sunday afternoon or evening and get a first-hand look at the centre while doing so.

JAY ODDLEIFSON AND JEROME SCHINDLER... put finishing touches on teen centre door

RICHARD LeBLANC HOLDS... the start of a partition

Mrs. Emma L'Hirondelle of 4 Maple Drive was honored recently for outstanding service to her community. She was one of a number of Edmonton and district foster parents to receive a citation award from the Department of Social Development. This is the second certificate of merit Mrs. L'Hirondelle has received in recognition of her work in providing foster care for a number of children over the past 12 years.

Drivers sought for hockey bus

The bus Bud Berg of 18 Sheridan Drive, owner of Berg Location Clearing, donated to the St. Albert Wildcats of the Highway 16 West Midget Hockey League has turned out to be a pretty good thing.

It has also, however, provided Wildcats' coach Harry Bellavance with a couple of king-sized headaches. He got one of them last Friday night. When Wildcats aren't using the bus, it is available to any other team connected with the St. Albert Kinsmen Minor Hockey Association. As Wildcats were playing at home Friday, Alex Potter's midget Bruins were to use it to travel to Devon for a

game in the Highway 16 league. There was only one catch. A driver with a class B licence was required. None could be found.

So Harry lined up a substitute coach for the Wildcats, who wound up losing 3-1 to Stony Plain, and drove the Bruins to Devon.

Harry requests that anybody with a class B licence who would like to give minor hockey a hand can do so by volunteering to drive the bus. Harry can be reached at 599-6420.

But Athlone took the lead 2-1 in the second.

Chris Hoffert scored the lone Fire Department goal. Neil Sharawara, Gilbert Carriere and Spencer Malaha scored for Athlone.

Fire Dept. downed 3-1

The score was tied 0-0 at the end of the first period.

Sharon Burrows weds Terence L'Hirondelle

St. Albert Roman Catholic Church was the scene of an afternoon wedding Jan. 10 when Sharon Mary, daughter of Mr. and Mrs. Thomas Burrows of St. Albert, became the bride of Terence L'Hirondelle, son of Mr. and Mrs. Joseph L'Hirondelle of Villeneuve.

Father Fred Bokenfohr performed the double-ring ceremony. Organist and soloist was Mrs. Bertha Kennedy.

The bride, given in marriage by her father, chose a traditionally styled full-length gown of white chiffon over net. The hooped skirt featured a train and was bordered in lace to match the bodice of the gown. Her shoulder length veil was held in place with a headdress of lily of the valley. The bridal bouquet was of red sweetheart roses.

The bride's attendants

were Miss Susan Burrows, sister of the bride. Mrs. Bernice Burrows, the bride's sister-in-law and Miss Lori Milne of Vancouver. They wore identical floor-length gowns of royal blue velvet fashioned on empire lines and carried bouquets of yellow chrysanthemums.

Mike Bramwell of Victoria attended the groom. Ushers were Ray Bugnet and Paul Lesberg.

Following the ceremony, a reception was held at the Club Mocombo. Uncles of the bride, C. E. Gourlay and Phillip Hobson, acted as master of ceremonies and toastmaster respectively. Out of town guests came from Victoria, Vancouver, Red Deer and Grande Prairie.

Following a honeymoon in California, the couple will reside in Pincher Creek.

Sunday 50

Alberta Government Telephones reports that its new Sunday 50 plan is being extremely well received throughout Alberta.

The plan permits Albertans to call friends anywhere in the province on Sundays for a maximum charge of 50 cents for the first three minutes, and for a maximum charge of 16 cents for each

additional minute.

In areas where direct distance dialing is available, the special low rates apply only if customers direct dial their own calls. Where DDD is not available, the special rates apply on station-to-station calls placed through an operator.

The rates do not apply on person-to-person.

Peewee Reps lose to bantam squad

St. Albert's peewee representative hockey team lost a couple of games to bantam teams over the past week, but had little trouble in the one game they played against peewee competition.

The local peewees lost 3-2 to Legal bantams last Wednesday and lost 7-3 to the Black Hawks of the local bantam league on Sunday afternoon.

On Friday night, they won 11-0 over St. Patrick's team from the city.

St. Albert was in the game all the way at Legal, with the score tied 0-0 at the end of the first period and 1-1 at the end of the second. Legal got the winner with less than three minutes to play in the game.

Proulx, Chalifoux and Pelletier scored for Legal. Greg Pudlowski, moved to a wing position after four years in peewee hockey as a defenceman, scored both St. Albert goals.

The Representatives had things pretty much their own way against St. Patrick's, rolling to period leads of 3-0 and 7-0.

Chris Hoffart and Tom Parayko each scored two goals for St. Albert and Jim

Wallin, David Kieser, Matthew Cassidy, Gary Muzichuk, Stephen Lister, Gary Bruens and Rory Ryder each scored one.

Roger Belley and Maurice Isaac split the goaltending. Black Hawks managed only a 2-1 lead in the first period on Sunday and only increased the margin by one with a 5-3

reading at the end of the second. They came on strong in the third, however, to score the only two goals of the period.

Jack Bendera, Pudlowski and Bruens scored for the peewees.

The Representatives have won three of the six games they have played.

The Grade 1 class of Mrs. Zera Hameed at Sir George Simpson Elementary School had a small pet show last Tuesday afternoon. The show served as a culmination of their reading program on pets. Each child had a turn taking his pet to the front of the class and giving a brief history of it. The children asked questions such as: "What does it eat?" How do you care for it? etc. Mrs. Hameed pointed out various characteristics of the pets. The children brought, gerbils, turtles, tropical fish and cats and dogs.

WI ARRANGE ARENA PROJECT

The Women's Institute held their January meeting at the home of Mrs. Ken Moore.

The Women's Institute are selling tickets on a large, handquilted, bedspread quilt. Tickets are available from any W.I. member. This quilt will be raffled on the evening of the fashion show March 13. Proceeds will go to the Arena Fund.

The Women's Institute are donating a handquilted baby quilt to the first baby born in the new St. Albert hospital.

NEWCOMERS

We welcome the following to St. Albert:

Mr. and Mrs. M. Solbrekken and family; Mr. and Mrs. K. Waitt and family; Mr. and Mrs. B. Nisbet and family; Mr. and Mrs. R. Hoff; Mr. and Mrs. S. Hrychuk and family; Mr. and Mrs. W. J. Sukkau and family; Mr. and Mrs. R. Journoud of the Grandin Park area.

Mr. and Mrs. R. G. Lambert and family; Mr. and Mrs. John Dupuis and family and Mr. and Mrs. E. Mosier and family of the Sturgeon Heights district.

Mr. and Mrs. J. Barton and family; Mr. and Mrs. J. Gilbert; Mr. and Mrs. B. Mishell; Mr. and Mrs. D. Robertson; Mr. and Mrs. W. Speer; and Mr. and Mrs. J. Swaffield and family of the new Braeside district.

Mrs. D. D'Aoust and family of Mission Park.

RECREATION hi-lites

BRIDGE CLUB

The last session of bridge for this season was held on Sunday evening in the Community Hall.

FAMILY CAMPING

The monthly meeting of the St. Albert 49ers Family Camping Club will be held on Sunday, Feb. 8, at 44 Birch Drive (phone 599-6924).

As spring approaches, interest in camping increases and anyone interested will be very welcome at the meeting on Sunday.

TABLE TENNIS

On Thursday evening, a trophy will be presented to

the winner of the competition which has been in progress for several evenings. The final game is expected to be played sometime between 8:30 and 9 p.m.

GOLF

A golf school will start next month. Anyone interested in participating is asked to phone the department of recreation 599-6601. The course will consist of six lessons and is timed so that the last few lessons can take place out of doors - if the weather co-operates.

"Y" BASKETBALL

On Saturday last, the 'Y'

Girls' basketball team played Parkallen Community League and won by 19-16.

There will be no practices held in Sir Alexander Mackenzie School on Thursday, Feb. 5, or Feb. 12. There will be an exhibition game held in Sir George Simpson Junior High School on Feb. 5 and the 'Y' will be playing host to teams from Morinville in the same school on Feb. 12.

HERCULES SOCCER

There will be a coaches' meeting held in the Clubhouse on Sunday, Feb. 15. Anyone interested in managing or coaching a boys' soccer team is invited to attend. (Coffee will be served.) Eric Gibbs (phone 599-6442) would be very glad to hear from anyone who would like to coach a team of 8 - 10 year olds (who form the St. Albert Little Atom League).

SWIMMING

The next session of swimming lessons sponsored by the YMCA for children over eight will start on Feb. 24 (transportation to the West End 'Y' is provided). A time and place for registration will be announced later.

YMCA

For adults interested in getting and keeping fit, a Ladies' Swedish Gym class is held in Leo Nickerson School on Thursdays from 8-9 p.m. and a Men's Keep Fit class is held each Wednesday in Sir Alexander Mackenzie School from 7-9 p.m.

Inquiries about 'Y' programs may be made by phoning Mrs. Phillips at 599-6445.

St. Albert girls curl on weekend

Two rinks from St. Albert will travel to Barrhead on Saturday to compete in the schoolgirls zone curling playoff.

Janice Hoosier will skip the Paul Kane High School rink which has Bobbi Varner at third, Janice Schlinkinger at second and Lorna Harvey at lead.

Kim Donalds will skip the

St. Albert High rink, with Joan Savole at third and Joanne Savole at second. The lead member was to be chosen today.

Winner of the zone final, which will see rinks from Barrhead and Westlock and possibly other points competing, will advance to the northern final in Edmonton Feb. 13 to 15.

Minor hockey playoffs set

With only two weeks left in the minor hockey schedule plans were made Sunday night for playoffs in all house leagues in the St. Albert Kinsmen Minor Hockey Association.

All eight teams in shavers and bantams will compete in the playoffs but in mites and peewees only the top four teams will be eligible. There

are only four teams in the bantam league.

Teams will have to pick up any cancelled games between now and the close of the schedule as playoffs in all leagues will start the week after regular play finishes.

Playoffs will be best-of-three series in both semi-finals and finals.

St. Albert Bruins Soccer Team plays every Sunday in the winter league in the Kinsmen Field House in Edmonton. Team members from left to right back row are Rolfe Maas, Jim MacRory, Gordon Beckwith, Bob Halpern, Eddie Oakes and Henry Lansink. Front row from left are Herman Kochan, Geoff Gadde, Stu Robinson, Guy Journoud, Fred Austin, Jim Sweeney and John McDermott. Missing from the photo: Vic Ledsham.

Soccer Bruins defeated

St. Albert Bruins, juggling their lineup because of the loss of their goalie, were defeated 6-2 by Edmonton Victoria in an Edmonton District Football Association Winter Soccer League game in the Kinsmen Field House on Sunday afternoon.

Bruins trailed 4-1 after the first half but scored early in the second to get back in the game. They gave

away an easy goal a short time later, however, and were right out of it again.

Henry Lansink scored Bruins' first goal on a penalty shot. Vic Ledsham scored the other.

Bruins lost the services of goalie Bob Halpern last Sunday when he was kicked in the face, resulting in a gash that took four stitches to close.

"We had to move Eddie Oakes into goal," said Gordon Beckwith, "which meant not only were we missing our regular goalie, but a strong defender as well."

Bruins have won two games and lost four in the winter league.

Their next game will be against Edmonton Rangers in the Field House on Sunday at 3 p.m.

The light bulb and Thomas Edison

Many a homemaker, grimly replacing burned-out light bulbs these long winter evenings, grumbles about the bulb manufacturer and his "planned obsolescence."

She feels that light bulbs are purposely made to last only a certain time -- and that they seem to burn out more quickly than when she was a girl.

She's right -- on both counts.

Lighting experts at Canadian General Electric, Canada's largest manufacturer of household lamps, agree that light bulbs are burning out faster. But only because homemakers are using lights

in more places, and for longer periods, than ever before.

The heart of any incandescent light bulb is the filament, an incredibly thin piece of coiled wire, which glows white hot when electric current passes through, to produce light.

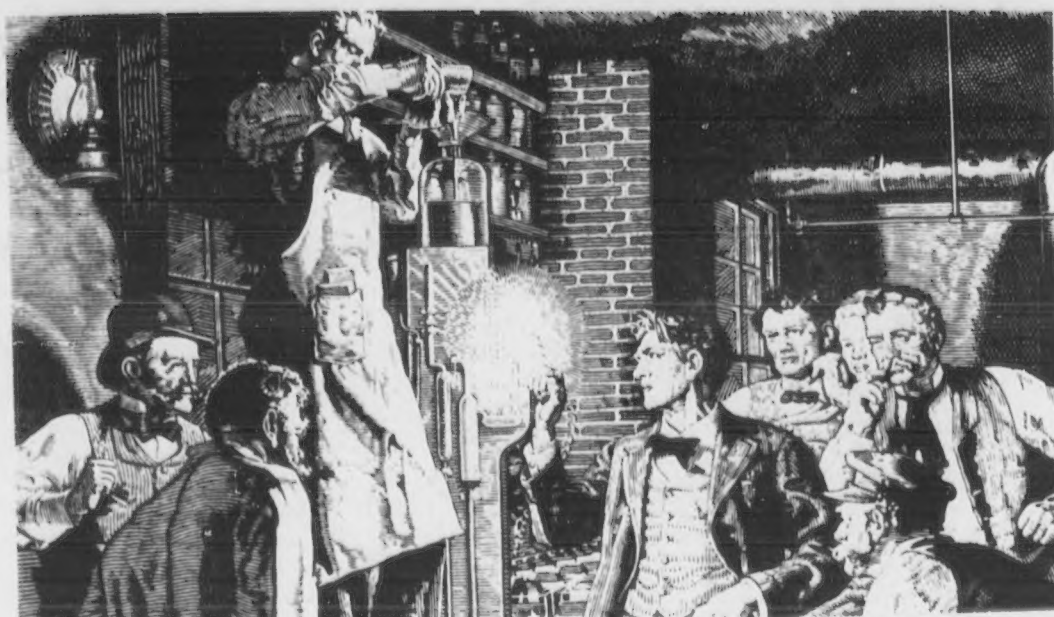

The surface of this wire, which is only 18 ten-thousandths of an inch thick, is actually boiling when the lamp is turned on. Eventually it boils down to the point where it breaks, and the bulb burns out.

"One of the scientific laws governing light bulbs is that the brighter the bulb,

the shorter life it will have," comments Robert Story, vice president in charge of CGE Lamp Department.

"Conversely, if you want the bulb to last longer, we must use a heavier filament which will boil away more slowly, but less light is produced."

The week of Feb. 8 to 14 has been designated National Electrical Week by all electrical manufacturers, distributors and dealers across Canada and the U.S. to mark the birthday (Feb. 11) of the inventor of the electric light bulb, Thomas Edison.

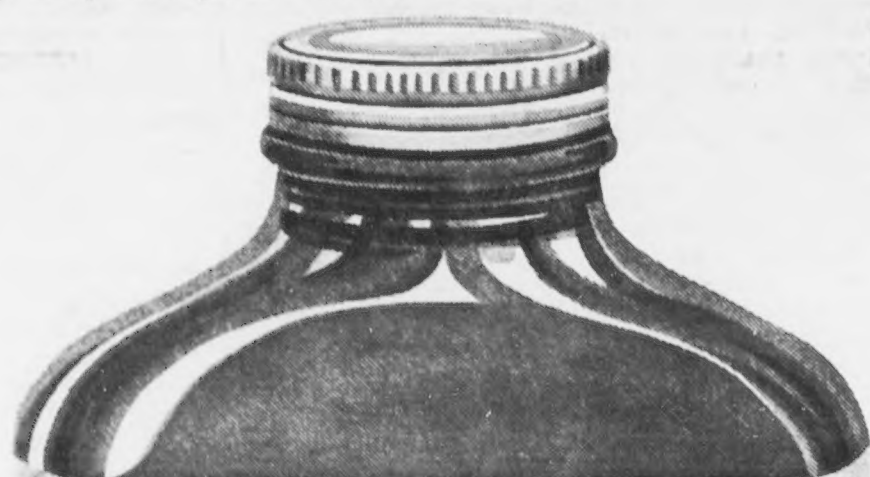

National Electrical Week, Feb. 8 to 14, honors the memory of Thomas Edison, inventor of the first incandescent light bulb. During Edison's first successful experiment in 1879, depicted above, the lamp remained lit for 40 hours. Today, the average household burns on for 750 hours, and Canadian General Electric, an offspring of the Edison General Electric Company, produces more than 10,000 different kinds of lights for use everywhere, including in outer space and under oceans.

ELECTRIC COMFORT HEATING

(Makes any home feel better in minutes!)

When cold strikes -- switch to the electric cold remedy. Warm-up cold spots with economical supplementary electric heating -- every room in your home becomes a "comfort zone" with inexpensive, reliable, electric comfort heating!
